L 3200 x W 1600 x T 30mm

Certification

The cool, icy tones of Glacier Nova are softened by the introduction of natural warm veins that snake through the surface. With a finish reminiscent of natural stone, Glacier Nova is self-possessed and calm with a reserved glamour that is suited to kitchens of all styles.

With a charm that alludes to an age gone by, Glacier Nova is light and bright with a polished finish that simply gleams. It's easy to imagine this surface in an entertainer's kitchen where it would be extensively utilised during meal preparation and serving. Available in jumbo slab sizes of 3200mm x 1600mm, and thicknesses of both 20mm and 30mm.

Certification

Tranquil and serene, Pearl Grey is an off-white base with muddied veins of whites and golds. Its polished finish creates a halo-style glow around the whole benchtop that draws the eye to the kitchen as the centrepiece of any home.

Available in jumbo slab sizes of 3200mm x 1600mm, and thicknesses of both 20mm and 30mm and it looks most effective when applied in large areas, such as an island bench or similar. The appeal of Pearl Grey is its understated beauty which means it does not have to work hard to be noticed.

Santamargherita

Virginia

Made in Italy
Non-porous
12 year warranty

Pricing group

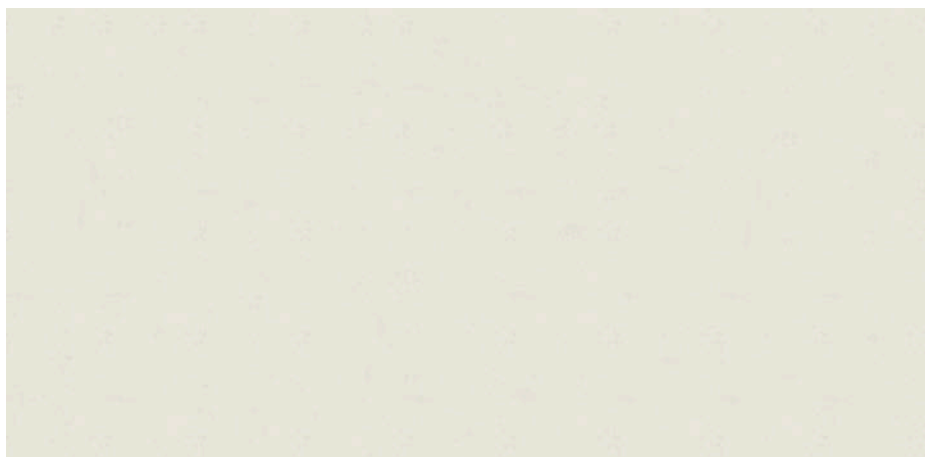

Ultimate Series

Finish

Polished

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

Delicate strands of gold/browns are softly blurred against a background of white to create a refined, almost distinguished, aesthetic. Rustic in appeal, Virginia is cultivated and gracious, and brings to mind the kitchens of an age gone by where sumptuous meals were created.

The browns and golds are a seamless tonal match for timber cabinetry but can also be paired with more modern cabinets for an interesting yin-and-yang effect. Available in slabs of 3200mm x 1550mm and in 20mm thickness, Virginia is ideal for use when creating glamorous spaces where beauty and opulence abound.

Pricing group

Ultimate Series

Finish

Polished

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

With its crisp and clean white background, Vittoria White is speckled with brown/black freckles that give this surface a playful, almost fun, exterior. The unsystematic sprinkling of colour against the lightness of the surface gives Vittoria White a natural appeal which is immediately warm and welcoming.

The design of this stone makes it ideal for traditional kitchens where it is paired with wooden or hand-painted cabinetry or in a more modern setting where it blends in perfectly with high-gloss polyurethane or matte-textured cupboards. Vittoria White is available in slabs of 3200mm x 1550mm and in 20mm thickness.

Ultimate Series

Finish

Polished

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

The simple, white background of Fusion White is embellished with its splashes of light grey that appear as if flicked randomly by a paint brush. Some are thicker here and thinner there to create an irregular pattern which works perfectly against cabinetry in a strong, single colour.

Sophisticated and clean, Fusion White adds a touch of old-world glamour and is applicable across a range of kitchen styles sitting just as neatly whether in a traditional or contemporary setting. Fusion White is available in a polished finish in slabs of 3200mm x 1550mm and in 20mm thickness.

Santamargherita

Fusion Taupe

Made in Italy
Non-porous
12 year warranty

Pricing group

Ultimate Series

Finish

Polished

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

Celebrating browns, beiges and neutrals, Fusion Taupe is a strongly-patterned surface that is available in a polished finish in slabs of 3200mm x 1550mm and in 20mm thickness. Its swirls and splodges create the impression of movement which is highly pleasing to the eye and acts as the perfect contrast to the flat surface of kitchen cabinetry.

Working with today's trend to bring the outside inside wherever possible, Fusion Taupe enhances the design of the kitchen by enriching the space with fawns, mushrooms and light browns. Fusion Taupe is highly adaptable with its different colour tones heightened by the backdrop against which it is placed.

Santamargherita Fusion Grey

Made in Italy
Non-porous
12 year warranty

Pricing group

Ultimate Series

Finish

Polished

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

The patterning of Fusion Grey immediately brings to mind the strength and resilience of natural stone with its solid coverage of grey and white swirls, dots and stripes. Visually, Fusion Grey draws the eye with its dramatic shapes and is designed to take centre stage in any kitchen.

Fusion Grey is highly adaptable to a range of design styles. If placed against darker shades of cabinetry, it will project a dark, moody ambience but when paired with lighter tones it becomes bright and almost silvery in appearance. Fusion Grey is available in a polished finish in slabs of 3200mm x 1550mm and in 20mm thickness.

Santamargherita Fusion Black

Made in Italy
Non-porous
12 year warranty

Pricing group

Ultimate Series

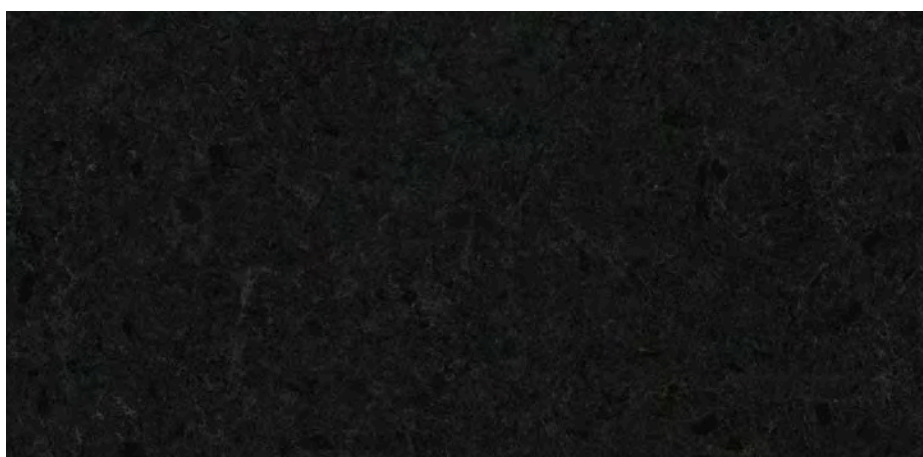

Finish

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

Fusion Black is a celebration of sophisticated greys and refined blacks for an eye-catching surface that visually 'pops' in the kitchen. Its deep, rich texture is enhanced by the depth of the grey colour, highlighted with black and white swirls that give Fusion Black a sense of texture and tactile strength.

Fusion Black is an essential element in any modern-industrial kitchen design with its concrete-like looks that work so perfectly with metallic elements. Set against dark cabinets, the surface oozes charm while against lighter cabinets it appears to shine brightly. Fusion Black is available in a polished finish in slabs of 3200mm x 1550mm and in 20mm thickness.

Santamargherita

Metropolis White

Made in Italy
Textured Finish
12 year warranty

Pricing group

Ultimate Series

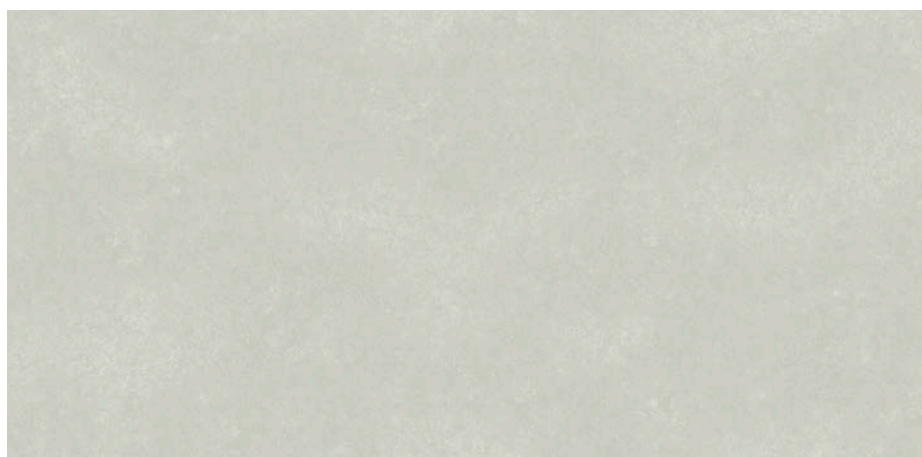

Finish

Textured

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

When first spied, Metropolis White appears as an all-white, sleek surface but, as you move closer, minute grey and black flecks appear which immediately change the visual appearance of the slab. Rather than a block of colour, these flecks gift the surface with light and movement that invites the user to touch and engage with the benchtop.

Metropolis White is a shining beacon of brightness in any kitchen with its luminosity at its best when paired with well-considered lighting. Available in a textured matte finish, Metropolis White comes in slabs of 3200mm x 1550mm and in 20mm thickness.

Santamargherita

Metropolis Beige

Made in Italy
Textured Finish
12 year warranty

Pricing group

Ultimate Series

Finish

Certification

The lush, richness of this earthy surface makes Metropolis Brown an immediate success in a variety of kitchen designs. Deep coffee tones meld with rich chocolates, tans and auburns in a combination of flicks and flecks to create a bronzed effect that is at once inviting and cheerful.

Metropolis Brown is available in a textured matte finish, in slabs of 3200mm x 1550mm and in 20mm thickness. When matched with greenery – whether design elements or natural plants – Metropolis Brown brings a sense of the garden inside the kitchen which is very much in keeping with today's design trends.

Pricing group

Ultimate Series

Finish

Textured

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

With its silvery glow and delicate chips in grey, black and white, Metropolis Grey is a modern benchtop for a futuristic kitchen. The surface radiates and sparkles in the right lighting which makes it perfect to provide a visual 'lift' for any kitchen design.

It is a distinctive surface that blends in well with other tones in the black/white monochrome scale and looks flawless when combined with a range of cabinetry styles. Metropolis Grey is particularly striking with its textured matte finish and is available in slabs of 3200mm x 1550mm and in 20mm thickness.

Santamargherita

Metropolis Dark

Made in Italy
Textured Finish
12 year warranty

Pricing group

Ultimate Series

Finish

Textured

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

Metropolis Dark has an almost steely-blue exterior which is enhanced by its textured matte finish. A visually strong element in any kitchen, Metropolis Dark works well as a contrasting or complementary feature to the cabinetry. Simple flecks of black and white sit atop the dark grey base to accentuate the base's depth of colour so it can be useful to enhance other elements of black and white within the kitchen.

When utilised in a monochrome colour scheme, Metropolis Dark makes a striking feature or it can be softened when used with mid-tones and lighter shades. Metropolis Dark is available in slabs of 3200mm x 1550mm and in 20mm thickness.

Santamargherita

Metropolis Oyster

Made in Italy
Textured Finish
12 year warranty

Pricing group

Ultimate Series

Finish

Textured

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

Metropolis Oyster combines the best of smooth, velvety patterns with a stark white background for a distinguished, sophisticated finish. Flowing swirls of grey are overlaid with little specks of dark grey to contrast motion with stillness and create a calm, serene effect.

Metropolis Oyster is at home in a wide range of kitchen styles and is extremely effective in any gourmet kitchen where the chef takes their cooking and entertaining seriously. With a textured, matte finish, Metropolis Oyster is a joy to behold particularly when used expansively, as on a large island bench. Available in slabs of 3200mm x 1550mm and in 20mm thickness.

Santamargherita

Metropolis Steel

Made in Italy
Textured Finish
12 year warranty

Pricing group

Ultimate Series

Finish

Textured

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

As the name suggests, Metropolis Steel embodies the essence of urbanisation with a light grey background that features strong patterns of swirling darker greys throughout. Reminiscent of the sky during a rain storm, the darker grey features are like clouds gathering overhead in a darkening sky – the calm before or after a storm.

A surface with so much implied movement is showcased best when paired with very simple, pared-back cabinetry in bold, stark colours that allow Metropolis Steel to draw attention. With its industrial overtones, Metropolis Steel is perfect for contemporary spaces and is available in a textured matte finish, in slabs of 3200mm x 1550mm and in 20mm thickness.

Santamargherita

Metropolis Copper

Made in Italy
Textured Finish
12 year warranty

Pricing group

Ultimate Series

Finish

Textured

Slab Dimensions

L 3200 x W 1550 x T 20mm

Certification

Metropolis Copper is like hidden treasure with its bronze-like markings sitting proudly against its creamy background that makes the surface shimmer and shine like precious metal. The colour is warm and welcoming, and will add a convivial and friendly overtone to any kitchen design.

With a speckled pattern that is at times sparse and at other times dense, Metropolis Copper brings an opulent touch to the kitchen that enhances its luxe appeal. The surface is accentuated by the textured, matte finish and is available in slabs of 3200mm x 1550mm and in 20mm thickness.

Santamargherita

Metropolis Galaxy

Made in Italy
Textured Finish
12 year warranty

Pricing group

Ultimate Series

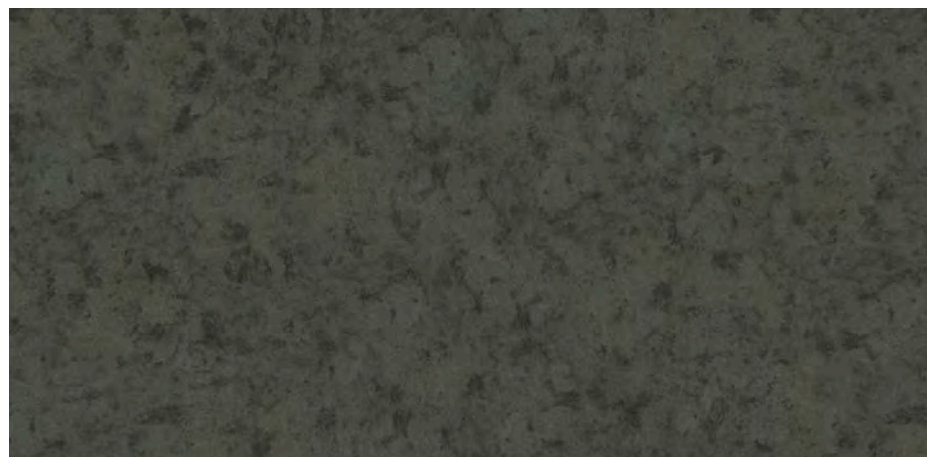

Finish

Textured

Slab Dimensions

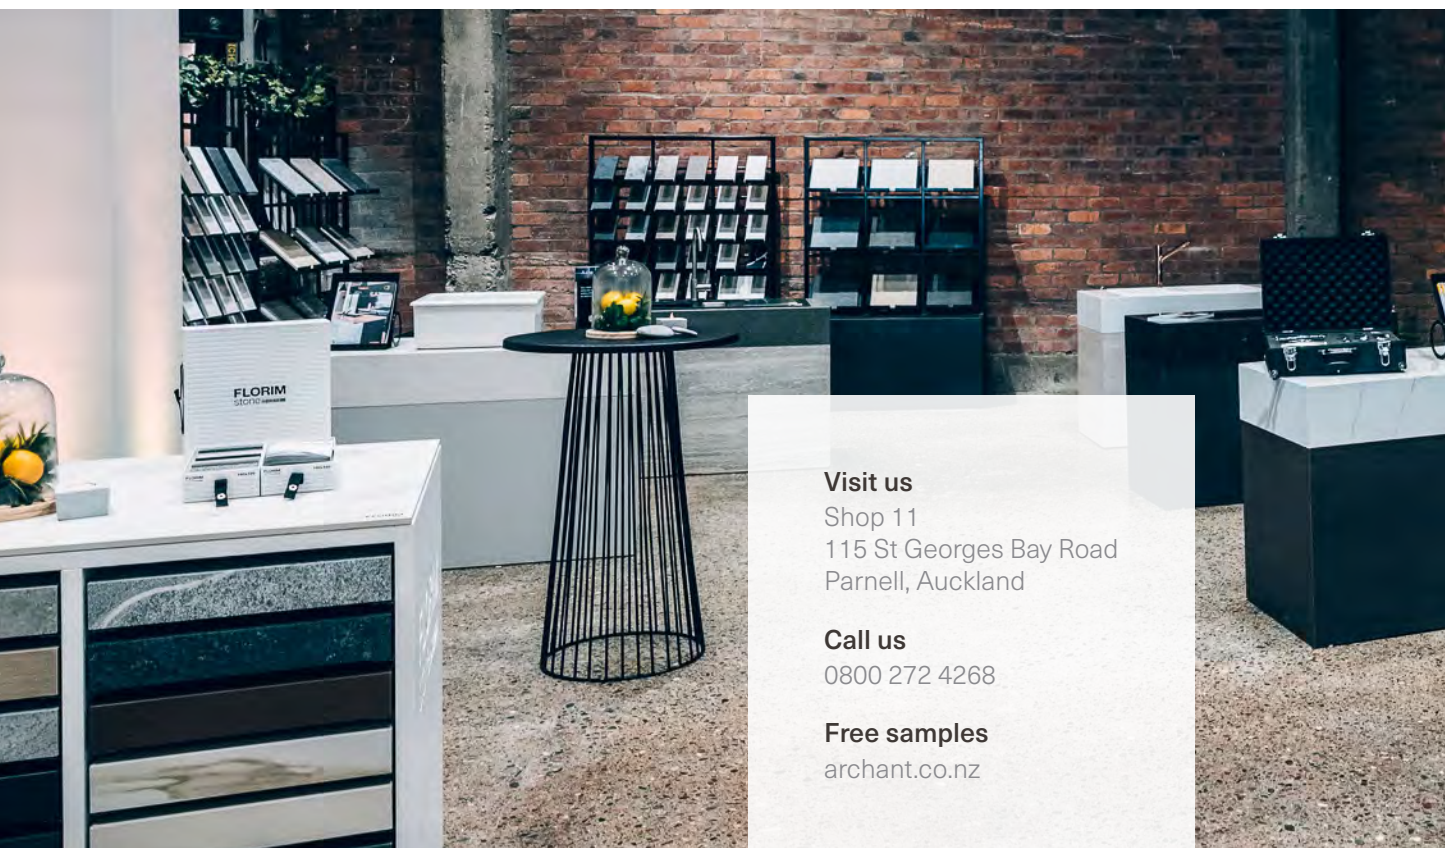

L 3200 x W 1550 x T 20mm

Certification

With its deeper greys, Metropolis Galaxy celebrates the use of shadow and shade to create complexity and an intensity of colour that is ideal for a modern, contemporary or industrial-style kitchen. The pattern almost appears as if it is a storm seen from above with its spinning and churning clouds.

Metropolis Galaxy has both a visual and tactile texture with its textured matte finish that makes it engaging and appealing. Available in slabs of 3200mm x 1550mm and in 20mm thickness, Metropolis Galaxy works best when paired with stainless steel, matte black, and textured elements.

Ardenne | Impressions Series

Impressions Series

The Impressions Series is for those who value quality and choice and includes a range of six tones that are designed to create a cohesive aesthetic throughout the interior of the home. Built on the idea of contrasting palettes, the Impressions Series juxtaposes light and dark shades in alternating bases and patterns for the widest possible application options.

Warm and welcoming hues sit against strong monochromatic finishes that make this range one of the most refined offerings on the market. Most colours in the series are available in slabs of 3050mm x 1400mm and a thickness of 20mm but some are available in jumbo sizes of 3200mm x 1600mm, and thickness of 20mm or 30mm.

Constellation White is a pale surface with haphazardly-scattered thin grey veins that mimic the look of natural stone. The dark grey veins contrast with the ash surface to create visual interest as the eye is drawn across the surface, jumping from one length to the next. With the veins so seemingly-random, Constellation White works best when grounded with cabinetry in strong colours to create optical balance and calm.

Available in jumbo slab sizes of 3200mm x 1600mm, and thickness of 20mm, this surface is a natural fit with classic and traditional kitchens.

Santamargherita

Zenith

Made in Italy
Non-porous
12 year warranty

Pricing group

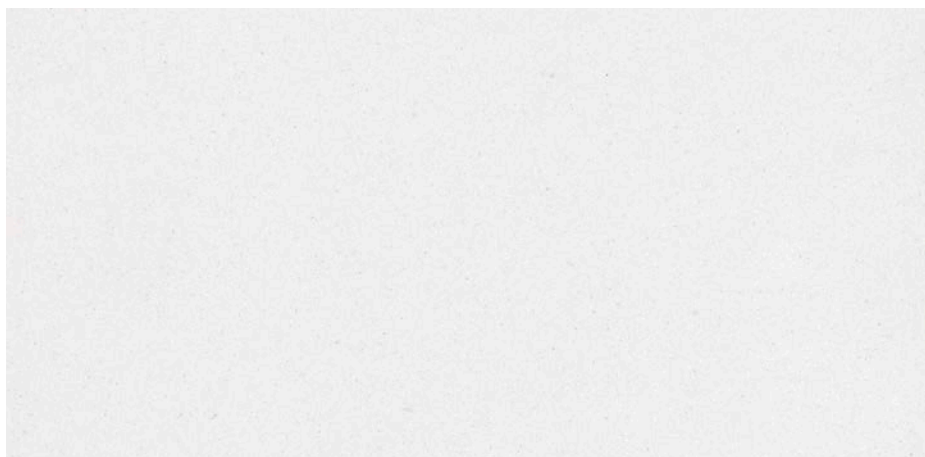

Impressions Series

Finish

Polished

Slab Dimensions

L 3050 x W 1400 x T 20mm

Certification

Gentle and pared back, Zenith features a light background, interspersed with faint dark flecks that add contrast to the bright base. The random pattern of flecks breaks up the expanse of white and creates visual depth to the surface, creating a warmer, welcoming appeal. Zenith appears white from a distance, only revealing its true make up when approached which adds an element of surprise to this surface.

Available in a slab size of 3050mm x 1400mm and a thickness of 20mm, Zenith is most at home in classic kitchens where its prettiness can be utilised for great effect.

Stone Cleaning kit

Cleans, protects and maintains
Ready to use
Does not leave streaks

Kitset code

8658 ZX

Size

500ml

In the box

Cleaner and microfiber cloth

For every-day cleaning of small stone surfaces such as kitchen bench-tops, tabletops, bathroom vanity tops and wall tiles. Enhances the appearance of the stone and leaves a pleasant odour.

Care and Maintenance

You want to enjoy your new stone surface for its lifetime. Care and cleanliness is the secret to ensuring your surface retains its beauty. Being quartz based means your surface will resist permanent staining when exposed to common household liquids like wine, tea, vinegar, fizzy drink, vegetables oil, coffee, and grease. We do recommend spills are wiped up as soon as possible because it is easier to deal with a spill than a dried stain.

Recommendations

Each Metropolis Slab is unique. This product is made from natural materials and is subject to variations in colour, shade and grain structure. As there may be variation in the channels and indentations, we strongly suggest you view larger samples in our showroom, along with viewing the full slab your fabricator intends to use. Textured finishes can require more daily maintenance than polished surfaces.

The archant promise

Fast delivery

We can deliver anywhere in New Zealand. All orders* received before 4:00 pm will be dispatched the same working day. 12:00 pm for stone slab orders.

Sample service

We are more than happy to send you product samples. They will be couriered to your door to help make your choice quick and easy.

Money back guarantee

If you're not completely satisfied with our products, we guarantee to refund you in full within one year of purchase. Products returned must be in new condition, unopened, unused and in original packaging. All our products carry a warranty for your peace of mind.

Engineered Stone Warranty

Santamargherita® S.p.A. warrants to the owner of the original installation that its Santamargherita® Quartz surfacing (the product), when installed in accordance with Santamargherita's current installation procedures shall be free from manufacturing defects for a period of twelve (12) years from the date of completion of installation of the product.

Heritage provides a twelve year warranty to the original owners of our engineered stone quartz slabs that the product will be free from manufacturing defects for a period of 12 years from the date of installation.
